DETAINÉES!

A Teach-In

Across the country, thousands of immigrants have been arrested and held secretly and indefinitely. Many of these immigrants reside in our area or are imprisoned here, in the Passaic County Jail. Hear from lawyers, activists--and listen to a tape recorded by detainee and Palestinian activist Farouk Abdel-Muhti inside Passaic County Jail.

Find out why this attack on immigrants is a threat to all of our civil liberties - and what you can do.
