

Visions  
of  
Occupation and Resistance  
GAZA STRIP  
PALESTINE IS WAITING

GAZA STRIP is an impactful, moving look at Palestinian life under occupation, revealing brutality and humanity in the face of oppression and siege. PALESTINE IS WAITING is a short film looking at Palestinians' continuing struggle for their right to return to their homes and lands, revealing the power of the promise of return and justice.

These two films are not to be missed!
