We protest as the people of **Iraq, Palestine, Korea, the Philippines, Afghanistan, Colombia** and elsewhere continue to resist empire and colonial rule, and as the people of Africa resist US invasion and oppression.

On the anniversary of the Palestinian intifada (uprising), September 25-28, people around the world will join in International Days of Protest Against War, Occupation and Empire.

The U.S. is spending \$4 billion a month to occupy Iraq - and \$17 million a day on aid to Israel to occupy and oppress the Palestinian people and Palestinian land, as we are told there is no money for education, healthcare and vital social services.

Bring the Troops Home Now!
