

# until when...

film screening and discussion  
with director Dahna Abourahme  
*nj premiere!*

palestine

right to return

refugees

"until when..." is about four Palestinian families who live in Dheisheh Refugee Camp near Bethlehem. We follow them in their daily activities as they tell us about their lives and their hopes for a better tomorrow.

"until when..." offers an intimate portrait of a resilient people whose basic living needs, freedom of movement and equality embody not only the struggles which come with living under occupation but also their dreams.
